

We have to search in the log files of the drone for unusual entries.  
Can you help with that?

ok

[2019-04-01, 14:24] pickup package  
[2019-04-01, 14:54] drop package  
[2019-04-01, 15:54] pickup package  
[2019-04-01, 16:00] entering sleep mode  
[2019-04-01, 16:03] remote access by user0001
